RESINOUS FLOORING SPECIALISTS

Browning Chapman's Resinous Flooring services protect your garage's concrete and add value to your home with an epoxy coating that resists abrasion, wear, and hot tires. Using professional-strength products not available to retail stores, our certified installers have years of experience in proper surface preparation and epoxy application. Whether you're improving your home or remodeling, our final result—installed in only two days—gives you a durable, easy-to-clean garage that will stay spotless for years.

ADD RESISTANCE TO SPILLS

Our strong, durable epoxy coatings are chemical- and stain-resistant, enabling motor oil, grease, and other spills to be cleaned more easily.

ENJOY PROFESSIONAL PREPARATION

Surface preparation protocol includes: dustless diamond grinding; shot blasting; crack repair; and, total removal of existing flooring.

KEEP LIVING SPACES HEALTHIER

The dust-resistance provided by our epoxy coatings helps keep your garage—and the rest of your home—cleaner and healthier.

PERSONALIZE YOUR LOOK

Our industrial-grade epoxy coatings come in virtually all colors—and can be further individualized by adding your own custom pattern or design.

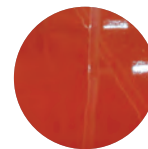

EXAMPLES OF AVAILABLE FINISHES

FULL OR PARTIAL FLAKE

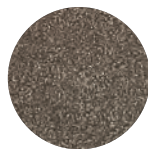

POLISHED CONCRETE

METALLIC

COLORED QUARTZ

ABOUT BROWNING CHAPMAN.

Launched in 2012, Browning Chapman is a complete concrete restoration company, performing services that include assessment, preparation, finishes, repair, and maintenance. Our thorough knowledge of concrete gives us a deeper understanding of the surface preparation techniques required to ensure a successful resinous application. Our other specialties include: concrete cleaning and sealing; lanai and balcony coating; driveway repair and surface options; specialty caulking; and, waterproofing.
