SPORTS & RECREATION SERVICES

Whether you're creating a new athletic facility or renovating an old one, Browning Chapman is your one-stop shop for everything from basketball courts to multipurpose gyms—providing a seamless experience with no need for subcontractors. Indoors or out, we have the equipment and expertise needed to remove old floors, prepare and level playing fields, install new surfaces, add line striping and set up a plan for future maintenance.

CONDITION REVIEW

Before we start any work, we'll assess your new or existing facility to advise you on the best, most efficient solution to fit your needs.

LEVELING

Redoing an old floor? We'll evaluate its needs, use compounds to fill and level imperfections, and/or grind it into an even playing surface.

OVERLAY

Removal and disposal of an old flooring surface can be difficult and costly. An overlay could help you avoid that trouble and expense.

VENUES

Our capabilities include basketball courts, pickleball courts, volleyball courts, multipurpose gyms, exercise rooms, and more.

LINE STRIPING

We provide professional marking, striping, and other game-related lines for your recreational needs.

DECORATIVE COATINGS

Beautify and personalize your gym facility with a wide variety of colors, stains, borders, and custom logos or lettering.

REPAIRS

Our understanding of concrete preparation and restoration enables us to repair substrates, and ensure a successful flooring installation.

SEALANTS/REFINISHING

We'll maintain your surface with recoating (for a poured urethane floor), or sanding, screening, and recoating (for hardwood floors).

EQUIPMENT INSTALLATION

Need services beyond the floor? We can install goals (ceiling-hung or wall-mounted), wall pads, bleachers, netting, and more.
